

# St. Andrew's Grade School

## Giving Thanks Fundraiser

Dear St. Andrew Parish and School Supporter,

We are thankful our students are back in school and eager to learn. School looks a little different, but our students and staff are adjusting well. Another area of adjustment is the way we support our school. As you likely are aware, we were unable to have our two big fundraisers last Spring. Those being the Fun-Raiser in April and the carnival in the Spring. Those two events normally provided well over half of our entire fundraising efforts for the year. So, adjust we must!

That's why we are inviting you to join us in a **Giving Thanks Fund-Raiser** to show your support for St. Andrew School. The form below offers several levels of support. The names only of the supporters will be placed on a poster hanging in the school for the entire school year. We have set a goal of reaching **200** individual or family names to list on our walls showing their support. Of course, if you can give more, that will certainly be appreciated, but more important than the amount, we would like your name listed along with all the others that have shown their support by making a contribution to St. Andrews Grade School's **Giving Thanks Fundraiser**.

Please mail or drop your support off either to

St. Andrew School

701 11<sup>th</sup> Avenue

Rock Falls, Illinois 61071

St. Andrew Church

708 10<sup>th</sup> Avenue

Rock Falls, Illinois. 61071

The viability of our school depends on your continued support. Thank You!
